

# Connect+

POWERED BY PLACES FOR PEOPLE

Expand your reach. We'll handle the rest.

# Making hard to reach connections easier than ever

You want to connect more homes. But multi-occupancy and high-rise social housing buildings can slow you down. That's where **Connect+** steps in.

**Places for People** manage over **240,000 homes** and have trusted relationships with hundreds of housing associations across the UK. Tap into our nationwide housing network, ready to install when you are.

## What Connect+ delivers for providers

- **Access to thousands of homes**

With us, you'll gain direct, accelerated access to a vast housing portfolio. We'll facilitate faster connections with the housing associations we're already linked to.

- **Fast-tracked permissions and wayleaves**

We support with the legal admin and tasks, so you don't have to.

- **End-to-end support**

From RAMS and design reviews to post-build audits and fire safety compliance, we manage the process on your behalf.

- **A trusted local partner**

As housing providers ourselves, we're embedded in Communities.

## Why work with us?

- Established relationships with landlords and asset managers.
- Strong track record: over **270 fibre rollouts**, 3,700+ residents connected.
- Trained team ensuring full compliance with HRB and Building Safety Act.
- A proactive, safety-first approach to rooftop and in-building installs.
- Fire and wiring trained experts, ensuring full compliance where you need it most.

## Less friction. More coverage. Better relationships

Connect+ is your trusted partner in the field — supporting smoother, quicker access and streamlined build programme sign-off.

\*We cannot guarantee access to housing association properties that are not directly managed by Places for People.

**Let's connect your services to the  
Communities that need them most.**
